OFFICE OF
THE PRESIDENT

LYCOMING COLLEGE
WILLIAMSPORT, PA. 17701

Dear Alumni, Parents and Friends

One of my most pleasant duties, as president of the college, is that of saying "thank you" to those who support this college and make its continued existence possible. As I read the names of alumni, parents, businesses, foundations, and friends who have given us tangible evidence of their confidence in this educational institution during the past year, I am extremely gratified. It was not an easy year in which to raise money. We are very aware of the state of our economy and are greatly heartened that you continued your support to Lycoming and, as the report shows, increased it.

We know that 1971 will be a difficult year in which to balance the budget as costs continue to spiral, so we ask for your continued help as you also share in the challenges of higher education today. I am confident that your pride in Lycoming College will insure its future success as a vital place of learning. It is always a pleasure for us to welcome you to the campus whenever you find it convenient.

Cordially yours,

HAROLD H. HUTSON

SOME PARENTS GO THE EXTRA MILE

The parents of our students form an important constituency of the College. They have more than a casual interest in the College, its academic program, and the "home away from home" it provides for their sons and daughters.

We know that, with half our students receiving some form of financial assistance, many parents are unable to make voluntary contributions to Lycoming. However, some parents have responded to our appeals for support and for this we are most appreciative. Some of them, as this report reveals, have made gifts sufficient to qualify them for membership in our prestige clubs, a special way of saying thanks.

During 1970, eighty-six families contributed \$5,424 to Lycoming. If we include alumni who are also parents, the total exceeds \$6,600. A few of these earned matching gifts from their employers.

Our appeal to parents is simple and direct. Lycoming College urgently needs private support from all its constituencies. If you can help us, please do!

ALUMNI BOARD ADOPTS 1971 GOAL

At its January meeting, The Executive Board of the Alumni Association adopted a goal of \$30,000 to be raised in calendar year 1971. Harold Shreckengast '50, a partner in Price Waterhouse Inc. of Philadelphia, reported on the 1970 Fund totals and urged adoption of the higher goal for this year.

Shreckengast stated, "our alumni are interested in seeing Lycoming move ahead and they have demonstrated this by giving more this year to the annual fund than they have ever given previously. Our giving potential in the near future. This high total was achieved with only 12% of our alumni contributing. We want to get that percentage up in 1971 also."

"Alumni will be given several opportunities throughout the year to make their contribution to their alma mater. A gift of any size is greatly appreciated and all gifts are needed to put us over the top," he said.

NEW DONORS INCREASE FUND

This year's annual giving report shows an increase in donors. This increase is due, in large part, to those people who sent in their first gift to the College. Some have been away from their alma mater for a number of years, but decided in 1970 to send their initial gift. It is hoped that this will be an annual concern of theirs and that more and more alumni will include the Lycoming College Fund in their list of charitable gifts for 1971.

TWO FOR ONE

About 500 companies, both large and small, now have matching gift programs as a part of their effort to support higher education. The plan is very simple, for every dollar (within stated limits) given to an institution by an employee, the employer also gives a dollar. Some companies will match only alumni gifts, others will match gifts of any employee. Matching gift forms and instructions are available at participating company locations.

In 1970, Lycoming received matching gift support from twenty-three companies. In some instances, the same company matched gifts from several different employees. We urge all donors and prospective donors to find out whether their employers have matching gift programs. There is no easier or less painful way to double your gift.

TELETHONS TO BE CONTINUED IN 1971

The Alumni office will be expanding the telethon approach to fund raising begun in 1970. Alumni Association President Dan Fultz '57, treasurer of Wells College, Aurora, New York, urged "that we use every means possible to tell the story of Lycoming College to her alumni in a personal way." He stressed that the direct mail appeal is not the only answer to today's great need for funds.

Dan is hoping to organize small groups within classes who will help solicit funds from their fellow class members with whom they are acquainted. He will welcome volunteer help from any class member and can be reached at Wells College.
